WHAT WE SUPPORT

\$135,000 thermal imaging camera for the police helicopter

To help find people we can't find on the ground, from criminals on the run to people who need **HELP**, like Alzheimer's patients who have lost their way.

To provide real life training for **EVERY** police officer on how to maneuver police cruisers in high-speed chases and less-than-optimal road and weather conditions.

\$80,000 skid car

\$32,500 for DNA Testing

To help the Omaha Police Department **SOLVE** crimes and take Omaha's most violent offenders off the streets.

\$1,280 for body cameras that fire investigators use to record essential evidence

\$170,000 for carbon monoxide and smoke detectors

Free, tamper-proof, and long-lasting detectors to **PROTECT** low-income, under-served families and their homes from the dangers of fire and smoke.

The "Thumbs Up" initiative encourages our community's children to **SHOW** appreciation and respect to first responders.

Affecting **107** schools and **62,000** students
